Dear Walter:

On Friday, May 9th, at 8:00 PM the Middlesex Amateur Radio Club is having for a guest speaker Katashi Nose, KH6IJ, from Hawaii to give a preview of the same talk and demonstration on antennas as he is scheduled to give at the Swampscott Hamfest.

The Middlesex Amateur Radio Club meets at the Waban Library 1608 Beacon Street, Waban. Reciprocal invitations such as these, I'm sure are appreciated by the members of both clubs and we hope as many of the members and guests from the Wellesley Amateur Radio Society will accept our invitation as can.

We would greatly appreciate your extending this invitation to your members and we'll be looking forward to seeing you Friday, May 9th.

Best, of 73s,

Dick, W1HLLI, Secretary
